Lok ma mito lotino kwan gi nge maber wabene gin
ma mito gitim maber wagi yoo ma mito lonyodo
omede gi miyo kony bot latin kwan ne gi ganag.

Gin ma ngec me pwonye man tito:

Ngec me pwonye man cungo pi gin ma pir gi tego ma latin ni myero onge dok bene otwer timone i Leb Munu ki Tic Ki Nama (Math) i AGIKI pa mwaka me gang kwan. Gin ma gitero apwonya pi kare mo ni konyo wegi gang ki lopwonye pi ngeyo awene ma nongo latin mito kony ameda nyo awene ma nongo gimito jami apwonya ma tek manok botgi.

Lonyodo kono giromo timo ngo?

Tye jami mapol ma iromo timo me konyo pwonye pa latinni dok pi konyo en pi tere pi kwo mere me anyim. Magi aye gin mogo manok ma weko latin pwonyo:

1. Wek latin onge nia kwan pire tek boti. Nyut bote nia kwan aye gin ducu dok en acaki gero kwo ma ber.
2. Wek gang kwan obedi anyim bot gin ducu, wek latin ni oo i gang kwan iwang cawa kikome ceng ducu.
3. Notte ki lopwony wa lotic mukene me gang kwan kun inyutu woro ki gin bene.
4. Mii kare pi loc ken, wek latin ni obal kun bene oye me kwanyo twero dok ngut pi balle.
5. Lok ki latin ni pi gin ma timme i gang kwan.
6. Lok ki lapwony pa latinni me neno nia latin ni tye ka mede maber idye mwaka.
